Sir,

I have the honor to submit for favor of Govt Sanction the following resolutions of the Chithnagalur Municipal Board Convened on the 10th January 1902

2 To entertain a peon on Rs 6/ per mensem to the Vice Presidents office, as there is not a single orderly now, and one is found absolutely necessary. A sum of Rs 72 is accordingly provided for in the Budget Estimate of the Chithnagalur Municipality for the year 1902-1903 under the Head II Head office (b) peon to the Vice Presidents office

3 Octroi Collection

Owing to want of sufficient hands under the octroi collection Establishment considerable delay is caused much to the inconvenience and trouble of the merchants in weighing and counting dutiable goods In the interest of municipal Revenue and to afford facilities

to the merchants it is proposed to entertain

(1) A Damaga on Rs 7/ per mensem Rs 84
to assist the Municipal Servants collecting the octroi revenue and tobacco, and to go round the town to prevent the smuggling of dutiable goods

(2) An additional clerk on Rs 5/ per mensem ——— Rs 60/

and

(3) to increase the contingency amount from Rs 4/- to Rs 5/- ——— 12/-

Total Rs 156/-

An additional sum of Rs 156/ is therefore provided under "III Collection (a) Octroi"

4 - Conservancy

The Conservancy staff is to be supervised not by the Inspectress of Schools but by the Sanitary Officer who's establishment should be found very difficult for 3 Duffadars to supervise the Conservancy and sweeping staff - Immediately Municipal funds permit it is proposed to have all the Conservancy sweepers working under one Duffadar who should be assisted by a Jemadar. The Board resolved (1) to grant an increase of Rs 3 per mensem to the Jemadar ——— 36/-

(2) to appoint a fifth sweeper on Rs 6/ p.m. ——— 72/-

Expenditure

II Head office (a) Vice President's office

An increase of Rupees 72/- is provided under this head for a peon on Rupees 6/- per mensem proposed to be entertained to the Vice President's office. The hand is absolutely necessary as there is not a single orderly now in the office

Resolved that this may be passed.

III Collection (a) Octroi

An increase of Rupees 156/- is provided under the head as follows.

(i) An additional Kolkar on Rupees 5/- per mensem Rupees 60/-

(ii) An additional expense of Rupees 12/- per annum to meet the increased Contingent expense of the Octroi Katte.

IV A Daroga on Rupees 7/- per mensem to assist the Municipal Overseer in

Dll

Collecting the Octroi Revenue on Cloths and tobacco and to go round the Town to prevent the smuggling of dutiable goods. Owing to the want of hands the weighing and Counting of dutiable goods and things are unnecessarily delayed and the merchants are put to inconvenience and trouble. In the interest of Municipal Revenue and to afford facilities to remove goods as early as possible it is necessary to increase the strength of the establishment; with the increase in the staff there is every reason to believe that the Municipal Revenue will increase. Since the 10% (P.C) allowed for establishment is hardly sufficient to meet the expenses, it would be better if the minimum be increased to 12½ per cent.

Resolved that the additional expenditure of Rupees 156/- as per above under the head Octroi may be passed and the Government may be addressed that the minimum per centage on the Octroi Revenue be raised to 12½

IV Conservancy (a) Establishment

An increase of one Rupee to the pay of the Sweepers and two persons on Rupees 6/ and two on one person Rupees 6/ are proposed.

In order to ensure good work strict supervision is necessary. For strict supervision sufficient number of hands are needed. Three Sweepers can hardly supervise the Scavenging and sweeping of nearly 17 miles of Municipal Roads

The 6 hands now sanctioned for scavenging work is hardly sufficient. This Municipality had at one time 10 hands. Though of late the roads are increasing, the number of sweepers is on the decrease With the present number of hands it is not possible to have all the roads of town swept once a day

As a sort of encouragement for good work it is necessary to create a grade among Sweepers.

Resolved that the extra pay of

Rupee

Rupee one per mensem be granted to each of the scuffe ours and that one peon and four sweepers be appointed on Rupees 6/- per mensem making a total extra expenditure of Rupees 396/- per annum under the Conservancy head.

VIII Public Works (a) Supervision

A Contingency of Rupees 15/- is provided for the office of the Overseer. He is to prepare estimates, plans and maps and submit bills. For papers And ink And other professional requisits the above sum is allotted under this head.

Passed and also resolved that Rupees 175/- be expended for purchasing a bicycle and for its upkeep for one year (with reference to the application of the Municipal Overseer to provide him with a bicycle)

XI Miscellaneous (a) Garden

An increase of one Rupee is proposed to be given to the Head Gardener. This gardener was getting Rupees 9/- till very recently. He has studied gardening under the Lal. bagh Superintendent and is an expert in his business. The pay that is paid to him is less than the Wages of a Cooly. To secure services of men who have experience of gardening, it is necessary they should be paid what they can get elsewhere.

Resolved that Rupee one extra be given and a bonus on the profits of the garden at the end of the year.
